CITY OF SUFFOLK DEBUTS THE 2018 PAFR

SUFFOLK, VA (March 11, 2019) The City of Suffolk is proud to debut the 2018 Popular Annual Financial Report (PAFR). The PAFR was produced by the City of Suffolk Finance Department in conjunction with graphical and layout work by the City of Suffolk Media & Community Relations Department.

This is the fifth year that the City has prepared the Popular Annual Financial Report (PAFR). The report provides an overview of the City's financial results and is designed to increase awareness throughout the community of the City's financial operations in a user-friendly manner. The information is derived from the audited financial statements in the City's 2018 Comprehensive Annual Financial Report (CAFR), which is our formal annual report. The 2018 PAFR is available for viewing on the City's website at www.suffolkva.us/pafr/fy18.

Additionally, hard copies are available at the Finance Department located at 442 W. Washington Street, all Suffolk Public Libraries, the East Suffolk Recreation Center (138 S. 6th Street), the Whaleyville Community Center (132 Robertson Street), and the Media & Community Relations Office located at 442 W. Washington Street.
