(Prentis Street) – A contractor will have a right lane closure on Prentis Street between Pine Street and Main Street for a manhole repair from 7 a.m. to 5 p.m., March 6 through March 20.

Ongoing Projects:

(Carolina Road) – A contractor will have periodic flagging operations on Carolina Road at Whaleyville Boulevard from 7 a.m. to 5 p.m.

(Pruden Boulevard) – In order to facilitate improved drainage during extreme weather events to alleviate roadway flooding, Suffolk Department of Public Works will install large box culvert drainage structures under the existing roadway in the 2500 block of Pruden Boulevard/Route 460 extending between Lake Meade and Sadler Pond. This work will require a full road closure at that location followed by a partial road closure. Variable message boards have been placed along the route to alert the motoring public of the upcoming roadwork. The anticipated construction start date is February 11, 2019. At that time, the road will be closed to all traffic for a period of 90 days. A detour route will be established via the Route 460 bypass. On or near May 11, 2019, the roadway will be opened allowing for use of one lane in each direction for a period of 6 weeks. Every effort is being made to minimize the impacts to traffic however, some delay time and use of the detour route should be expected. Additional information about the project may be found on the City of Suffolk website at: <https://www.suffolkva.us/680/Pruden-Boulevard-Drainage-Improvements>
