Refined Relics Antique & Salvage Opens

SUFFOLK, Virginia (July 25, 2019) – A new home décor shop has opened at 713 Carolina Road. Refined Relics Antique & Salvage opened their doors to the public over the Independence Day holiday weekend and has planned their official Grand Opening to be July 26th at 12:30 p.m. Vice Mayor Leroy Bennett will be on hand for the event, which is open to the public.

The shop features gently used items such as antiques, restored and refurbished furniture, linens and home goods and household decorations. They specialize in kitchenware and furniture. They plan to host vintage markets and fairs throughout the year to attract more members of the community to their shop.

Owner Susan Eason utilized the Suffolk EDA Façade Improvement Program to perform renovations on the building. “Without the Façade Grant, I would not have been able to make such significant improvements to my building,” commented Eason. “This is a great program for helping small business owners invest in their properties.”

Suffolk Mayor Linda T. Johnson said “Refined Relics is a good example of what the Façade Grant program is all about. The grant allows local entrepreneurs to beautify our corridors and strengthen the community; Susan and her team have done an outstanding job. We wish them much success.”

The shop is open Wednesday through Friday from 11 a.m. to 7 p.m., Saturday from 10 a.m. to 5 p.m. and Sunday from noon to 5 p.m. They are closed Monday and Tuesday. See <https://www.facebook.com/refinedrelicsLLC/>.
