Turntine Insurance Expands in Downtown Suffolk

SUFFOLK, Virginia (October 9, 2019) – As part of its growth and commitment to Suffolk, Turntine Insurance Inc., an established Downtown Suffolk insurance provider, has expanded operations into a new, larger building. The new location is located at 101 Bosley Avenue, just off West Washington Street. To celebrate, they are hosting a Grand Opening – Ribbon Cutting on October 10, 2019 at 11 a.m. Vice Mayor Leroy Bennett will be on hand for the event.

The award-winning agency provides a variety of insurance coverages, including auto, home, personal, business, life and group benefits. They are an independent agency, which means Turntine Insurance will provide the best carrier for their clients' needs.

Angela Turntine founded the company because she wanted to provide the best service and most outstanding insurance selection to the City she holds most near and dear to her. "Turntine Insurance has enjoyed servicing the insurance needs of individuals, families and businesses in Suffolk and throughout Virginia since 2006," Turntine noted. "We look forward to continuing to offer exceptional customer service and insurance products to protect our customers' needs at our new location."

“Sustained growth in a competitive landscape is a great example how innovative start-ups such as Turntine Insurance can thrive in Downtown Suffolk,” said Suffolk Mayor Linda T. Johnson. “We appreciate their continued investment in our community.”

Many insurance transactions can be handled online; hours of operation are Monday through Friday, from 9 a.m. to 5 p.m. See www.turntineins.com to learn more.
