CITY EVENT CANCELLATIONS AND OPERATIONS

SUFFOLK, VA (March 13, 2020) As coronavirus disease 2019 (COVID-19) continues to affect the way people interact and conduct business, the health and safety of our citizens and employees is our top concern.

Due to the volume of previously scheduled City events and activities, please check the City of Suffolk Departmental websites and social media platforms as to their current status. Consistent with best practices and recommendations from national, state, and local health officials regarding large public gatherings and the potential of community spread, and out of an abundance of caution, City-sponsored events and activities are being closely reviewed and determinations are being made on a daily basis.

Additionally, while City offices and facilities remain open at this time, citizens may wish for their own convenience to conduct business online (www.suffolkva.us), where offered, or contact the individual Departments or the City's main line at 757.514.4000.

Protecting ourselves will require all facets of the community to work together.
