POLICE INVESTIGATING MULTIPLE STOLEN VEHICLE INCIDENTS

SUFFOLK, VA (December 15, 2020) Suffolk Police responded to three separate reports of stolen vehicles last night, Monday, December 14, 2020, which occurred within about 30 minutes of each other around 8 p.m. Two incidents occurred in the 600 of East Constance Road and one occurred in the 1400 block of North Main Street.

One of the vehicles was later observed by uniform patrol in the 1000 block of Portsmouth Boulevard and a traffic stop was initiated. The suspects fled the scene and crashed the vehicle prior to entering Route 58. The suspects fled that vehicle and got into another stolen vehicle to head onto Route 58. That vehicle was found parked on Route 58. Two male subjects were located close to the vehicle and were detained. A 17 year old male has been charged with 3 counts of Grand Larceny (F), 1 count of Obtaining Money by False Pretense (F), and 1 count of Conspiracy to Commit Larceny >\$500. Additional charges are pending and the investigation remains ongoing.

In the two of the three thefts, vehicles were left running while the driver went inside a business. Suffolk Police would like to remind the public to "Lock It, Don't Lose It" when it comes to securing your vehicle and to take special precautions not to leave vehicles running and unattended as it could welcome the opportunity for a crime to occur.
