SUFFOLK POLICE AND SUFFOLK FIRE & RESCUE RESPOND TO SINGLE VEHICLE ACCIDENT

SUFFOLK, Virginia (February 7, 2021) Suffolk Police and Suffolk Fire & Rescue responded to a single vehicle accident in the 1100 block of East Washington Street earlier this morning, Sunday, February 7, 2021. Emergency Dispatch was notified of the incident at 3:46 a.m.

The vehicle struck and damaged a power pole during the accident. Following medical assessment and treatment by Suffolk Fire & Rescue personnel, the driver was ground transported to an area hospital with non-life threatening injuries. The roadway will be closed for several hours due to necessary repair work. Suffolk Department of Public Works has set up traffic detours at that location. Dominion Power is reporting 16 people are currently without power due to the damage to the pole.

The incident remains under investigation. No additional information is available for release.
