UPDATE

SUFFOLK, VA (May 2, 2021) Suffolk Police advise that the affected roadways have since been reopened.

Upon preliminary investigation, it was determined that the hit and run involved a passenger vehicle and another vehicle that allegedly caused the accident. The passenger vehicle struck the power pole, and the other involved vehicle of unknown description then fled the scene. There were no injuries.

The incident remains under investigation at this time.

HIT AND RUN ACCIDENT CAUSES POWER OUTAGES

SUFFOLK, VA (May 1, 2021) Suffolk Police and Suffolk Fire & Rescue crews responded earlier this evening, Saturday, May 1, 2021, to a hit and run accident in the area of Crowdy Boulevard and Plummer Boulevard.

Emergency Communications was contacted at 7:30 p.m. advising of the accident. Crowdy Boulevard is currently shut down between Townpoint Road and Plummer Boulevard, and will be closed for an extended period of time due to downed power lines.

At least two dozen homes in the area are without power.

Dominion Power crews are also on scene, and crews from Suffolk Public Works have responded to set-up traffic detours.
