SUFFOLK POLICE SEEKING PUBLIC'S ASSISTANCE IN LOCATING MISSING ENDANGERED WOMAN

SUFFOLK, VA (July 13, 2016) The Suffolk Police Department is asking for the public's assistance locating a missing endangered female, Candice Brine Miller, age 34. Miller is white, 5'05" and approximately 135 pounds with blonde hair and green eyes. Miller suffers from a medical condition and therefore is considered endangered.

Miller was reported missing on July 8, 2016 and was last seen at 3:30 p.m. on June 21, 2016 at a friend's house. She was last seen wearing a red hoodie sweatshirt and dark pants.

When she left she packed a large amount of food items in her 2008 Honda Civic, two-door, black in color. The vehicle registered to the subject has Virginia tags, WSV-4977. She told a friend she was going to an unknown destination in Florida. However, she has an EZ

Pass on her vehicle which indicated it went through an EZ Pass location in West Virginia on June 21, 2016. There has been no contact with Miller since being reported missing.

If anyone observes Miller or knows her whereabouts, please call 911 or your local Police Department. A photo of Ms. Miller accompanies this release.
