SUFFOLK POLICE INVESTIGATING HUMAN REMAINS FOUND AT CONSTRUCTION SITE

SUFFOLK, Virginia (June 9, 2016) The Suffolk Police Department is currently investigating human remains that were located at a local construction site.

Emergency Communications received a call on Wednesday, June 8th at approximately 1:09 p.m. advising of bones that were located by contractors at a new development in the 3700 block of Willow Glenn Circle off of Bennetts Creek Park Road.

The bones have since been determined to be human remains and the investigation is ongoing. Forensics staff are on scene conducting the excavation and investigation. The age of the remains or whether the area could have been an old burial ground is unknown at this time.
