TWO VEHICLE ACCIDENT ROUTE 58

SUFFOLK, Virginia (February 5, 2015) Suffolk Police and Suffolk Fire & Rescue personnel responded earlier this evening to a two vehicle accident with entrapment.

Emergency Communications received the call at 6:41 p.m. advising of the collision in the westbound lane in the 1500 block of Holland Road/Route 58 involving an 18-wheeler and a Pontiac Grand Am.

The driver of the passenger vehicle, a 24-year-old female, had to be removed from her vehicle by Suffolk Fire & Rescue personnel using heavy duty equipment. She received emergency medical treatment and assessment and was ground transported to Sentara Obici Hospital with non-life threatening injuries. The driver of the 18-wheeler was not injured.

Westbound Route 58/Holland Road was briefly shut down and eastbound Route 58/Holland Road was down to one lane as traffic was diverted. The roadway reopened within the hour.

The cause of the accident remains under investigation.
