ROAD CLOSURE SCHEDULED FOR UTILITIES WORK

SUFFOLK, VA (April 1, 2015) In part of the continuing work toward completion of the new parking lot behind Suffolk City Hall, Suffolk Department of Public Utilities Line Maintenance Staff will close North Street to thru traffic during the work from 9 a.m. to 3 p.m. on Thursday, April 2, 2015. Traffic control will be setup with a detour in place.

The work will involve abandoning a 2-inch water main in Spring Street between North Street and the old Suffolk Municipal Center rear lot. In addition, personnel will install a new water service for 123 North Street.
