TECH CONNECTION: USING THE IPAD FOR EBOOKS

SUFFOLK, VA (April 10, 2013) Would you like to utilize the eBook service offered by the Suffolk Public Library System on your iPad, iPhone, or other Mac iOS device but do not know how to start? Be sure to register for the Tech Connection class "Using The iPad for eBooks". The session is scheduled for Thursday, May 9, 2013, from 2 through 3 p.m.

Learn how to use this service and download books to your iPad, Android or other Mac iOS device. The class will go over how to set up and use your iOS device for this service and finding books that you will love to read in Axis360. A Mac iOS compatible device and a library card in good standing are required for this class. Registration is required and begins April 29.

For more information or to register, call 757-514-7323. Morgan Memorial Library is located at 443 West Washington Street.
