### **ROAD CLOSURES AND POSSIBLE TRAFFIC DELAYS**

SUFFOLK, VA (April 29, 2013) The following roads in the City of Suffolk will have closures that could cause delays, Monday, April 29, 2013, due to construction and maintenance projects:

#### **Ongoing Projects:**

(West Washington Street) – Due to the installation of new stormwater pipes for the City of Suffolk E-911/Municipal Center Project, eastbound and westbound through traffic on West Washington Street, between Henley Place and North Street, will be detoured to Wellons Street, Jackson Street, and Chestnut Street until Friday, May 3.

(Route 10/Godwin Boulevard) – A contractor will have a southbound shoulder closure on Route 10/Godwin Boulevard between the Reids Ferry Bridge and 1000 feet north of the pump station. They will also have a lane closure in the northbound lane from Sack Point Road to Harrell Drive from 7 a.m. to 3 p.m. This pipe installation project will continue for the next three to five months.

(more)

(Shoulders Hill Road and Nansemond Parkway intersection) - A contractor continues with ongoing work at the intersection of Shoulders Hill Road and Nansemond Parkway.

(Market Street & Henley Place) – Thru traffic on Market Street and Henley Place will be restricted until June 29, 2013, to facilitate additional pavement and concrete work for the City of Suffolk E-911/Municipal Center project. The west entrance to the Main Municipal Center Parking Lot will be closed. All public and staff traffic to the Human Resources Building will utilize the same entrance and travel along the north side of the parking lot to the building. Access to the Human Resources Building can also happen via Washington Street to Pender Street on the west side of the Police Administration Building.

(Village of Holland) – A contractor will have periodic flagging operations in place on Ruritan Boulevard, South Quay Road, and Holland Road Business and side streets within the Holland Village area, Monday through Friday from 8 a.m. to 4 p.m., installing new water mains. The expected completion date is September 2013.

(Pruden Boulevard) – A contractor will have the right eastbound lane on Pruden Boulevard closed from the 2500 block of Pruden Boulevard to Meade Parkway until 3 p.m. This closure will be in effect periodically until October 2013 while a new pump station is constructed. The contractor will also have a lane closure in the right eastbound lane on Prudent Boulevard from Meade Parkway to the Godwin Boulevard intersection from Monday, April 29, through Friday, May 3.
