WEEKEND ROAD WORK

SUFFOLK, VA (August 1, 2014) The following roads in the City of Suffolk will have closures that could cause delays this weekend due to construction and maintenance projects:

(Pender Street) – The City of Suffolk and a contractor will have Pender Street closed Saturday, August 2, 2014 through Friday, August 8, 2014 from the intersection of West Washington Street to the old Spring Street Intersection. The closure will be installed to facilitate the upgrade of the old storm drain that currently runs along Pender Street, as well as the new sewer tie-in for the Police Administration Building expansion. Residences located to the north of the closure will be routed through the City of Suffolk Human Resources Building parking lot to Market Street.
