WATER SERVICE REPAIR TO CAUSE DETOURS

SUFFOLK, VA (August 4, 2015) The Department of Public Utilities is scheduled to perform a water service repair on Wednesday August 5th, at 208 E. Washington Street in downtown Suffolk.

This work will require the closure of the westbound lane of E. Washington Street between 9:00 a.m. to 1:00 p.m. Westbound traffic will be detoured from E. Washington Street to Pinner Street to Bank Street to Franklin Street back to E. Washington Street. Signage will be in place noting these detours.
