FATAL ACCIDENT INDIAN TRAIL ROAD

SUFFOLK, VA (January 23, 2017) Suffolk Police and Suffolk Fire & Rescue personnel responded earlier this afternoon to the scene of a fatal accident in the 6000 block of Indian Trail Road. Emergency Communications received the call at 12:22 p.m. notifying of a single vehicle accident involving a moped.

A citizen came upon the accident and contacted police. The adult male victim was pronounced deceased at the scene.

Upon preliminary investigation it was determined that the moped left the roadway and the driver and moped were located in a ditch along the rural roadway.

The victim has been identified as Cleveland Lee Foster, age 81, of Windsor.

The roadway in the area was completely shut down following the accident, and reopened at approximately 3:39 p.m.

The cause of the accident remains under investigation at this time.
