CHUCKATUCK LIBRARY TO GET A “LIFT”

SUFFOLK, VA (February 11, 2014) The Suffolk Public Library will start a special project for their Chuckatuck location. On February 18, 2014, the “Chuckatuck Library Lift” will commence to begin the reorganization of the existing space to better meet the needs of the community. At the same time, the landlord will perform several improvements including the installation of new carpeting and painting of the entire interior.

The library building will close for approximately three weeks from Tuesday, February 18th through Sunday, March 9th to complete the enhancement process. During this closure, the Bookmobile will provide library service at the Chuckatuck Library during regular operating hours, as well as targeted Bookmobile service to regular Bookmobile users using other delivery vehicles.

Upon completion of this “lift”, the community will enjoy a fresh, new atmosphere as they utilize library services for years to come.
