### **SINGLE VEHICLE ACCIDENT WHALEYVILLE BOULEVARD**

SUFFOLK, VA (October 12, 2015) Suffolk Police and Suffolk Fire & Rescue personnel responded earlier this morning to the scene of a single vehicle accident in the 6200 block of Whaleyville Boulevard in the rural Whaleyville borough. Emergency Dispatch received the call at 5:54 a.m. notifying of the incident.

Upon preliminary investigation the Nissan Sentra was traveling northbound when it left the roadway and struck a concrete culvert. The adult female received emergency medical assessment and treatment by Suffolk Fire & Rescue personnel and was ground transported to Sentara Obici Hospital with non-life threatening injuries.

The roadway was initially closed in both directions due to a fuel spill related to the accident. Crews from Public Works also responded. Traffic was then alternated and the roadway reopened at 7:20 a.m.

The cause of the accident remains under investigation.
