### **WATER SERVICE SHUT DOWN TO REPAIR LEAK**

SUFFOLK, VA (January 24, 2013) Suffolk Department of Public Utilities Line Maintenance Division will turn water service off in the 6300 block of Coachman Drive, in the Castlewood Village Subdivision, to repair a water leak. The water will be shut down from 9 a.m. to 1 p.m. and will affect approximately 15 residences. Customers have been notified by the work crew.

For more information, contact the Suffolk Department of Public Utilities at 757-514-7000.
