### **TRACTOR TRAILER ACCIDENT CLOSSES PORTION OF ROADWAY**

SUFFOLK, VA (March 31, 2015) Suffolk Police and Suffolk Fire & Rescue responded earlier this afternoon to a two vehicle crash involving two tractor trailers.

Emergency Communications received the call at 3:37 p.m. advising of the accident in the 7800 block of S. Quay Road just after Elwood Road in the rural Holland borough. Both of the trailers were empty, and neither driver sustained any injuries in the accident.

One of the tractor trailers is on its side in the right westbound lane of the 7800 block of S. Quay Road. One lane of travel westbound is still open and traffic is flowing with only a minor back-up at this time. The right westbound lane could potentially be closed for a portion of time while the tractor trailer is brought upright.

The cause of the accident is under investigation.
