POSSIBLE TRAFFIC DELAYS - TWO SUPER LOADS SCHEDULED FOR WEDNESDAY JULY 31

SUFFOLK, VA (July 30, 2013) Two super load moves could cause delays in traffic on Wednesday, July 31, 2013.

The super load moves will involve two sections of a mobile home and will travel through the City of Suffolk between 9 a.m. and 2 p.m. coming into the City from Chesapeake, Virginia, into the City of Suffolk via Route 58 West to Route 13/58/460 Suffolk Bypass to Route 13/32 Bypass to Route 13 South to Route 647/Copeland Road to Route 643/Manning Road completing the move in the 1400 block of Manning Road.

The loads will be 13 feet 6 inches tall, 16 feet wide, 103 feet long, and weigh 54,000 pounds. The super load move will have certified front and rear escorts as well as Suffolk Police Motor Carrier escorts.

Traffic is expected to be temporarily stopped on Manning Road while the units are being removed from the road.
