UPDATE

SUFFOLK, VA (August 14, 2015) The Suffolk Department of Public Utilities advise that the contractor is in the process of re-opening Shoulders Hill Road to normal 2-way traffic.

They are currently in the process of removing their traffic control and will have that effort complete by 5:00 p.m. today. This will re-open the section of Shoulders Hill Road between Nansemond Parkway and Pughsville Road to normal traffic that had been partially closed to allow the installation of the new water transmission main.

SUFFOLK PUBLIC UTILITIES SHOULDERS HILL ROAD PROJECT CONTINUES

SUFFOLK, VA (June 12, 2015) A contractor will be constructing a new water transmission main along the Shoulders Hill Road Project for the Suffolk Department of Public Utilities. As part of the work, the northbound lane of Shoulders Hill Road will be closed from June 13, 2015 to August 15, 2015. Detours will be in place including Bennetts Pasture Road to Route 17 or I-664 to Pughsville Road.

The project began in April of 2015 and is scheduled to be completed by August 15, 2015. For more information and updates please visit:
