### **TWO VEHICLE ACCIDENT CLOSES PORTION OF ROUTE 58**

SUFFOLK, VA (July 21, 2015) Suffolk Police and Suffolk Fire & Rescue personnel responded earlier this afternoon to the scene of a two vehicle accident on Route 58/Holland Road at the intersection of Kenyon Road that resulted in the closure of two lanes of westbound traffic.

Emergency Communications received the call at 12:59 p.m. advising of the accident involving a flatbed tractor trailer hauling bricks and a Chevrolet Impala passenger vehicle. Upon preliminary investigation it was found that both vehicles were traveling eastbound when the tractor trailer struck the passenger vehicle in the rear, causing the vehicle to spin and veer off into the eastbound lane where it struck a ditch, rolled and came to rest on the driver's side.

Suffolk Fire & Rescue and EMS crews provided emergency medical assessment at the scene and the adult female driver, the lone occupant, was extricated from the vehicle after the roof was removed. She was ground transported to Sentara Norfolk General Hospital with non-life threatening injuries. The adult male driver of the tractor trailer was not injured.

One westbound lane reopened shortly after the accident, and all lanes of travel reopened at 2:30 p.m.

The cause of the accident remains under investigation.
