Tractor Supply Opens First Suffolk Store

SUFFOLK, Virginia (June 21, 2013) The Tractor Supply Company has opened its first Suffolk retail store, at 3000 Pruden Blvd. The 19,000 square-foot store has been open one week, and to celebrate, they are hosting a Grand Opening/Ribbon Cutting ceremony on June 22nd at 8 a.m. City Council Member Jeffrey L. Gardy will be on hand Saturday for the festivities.

Tractor Supply stores are typically located in rural areas and outlying suburbs of major cities. Stores dedicate inside selling space with a similar amount of outside space used to display agricultural fencing, livestock equipment and horse stalls. You can also find welders, generators, animal care products, power tools and lawn products.

“Suffolk is a terrific location for Tractor Supply Company because of the amount of farmland and horse and livestock farms in the area,” said Store Manager Jennifer Self. “We supply products that fit the needs of the community. Our team has a wealth of product knowledge and experience to help our neighbors find what they are looking for. We are here to provide a friendly, family environment.”

Guests attending the Grand Opening will receive coupons and register for door prizes including store gift cards, animal feed and seed, power tools and a Husky Lawn Tractor. Free giveaways will be handed out as well.

“Tractor Supply Company is a national retailer with a strong track record for success,” said Suffolk Mayor Linda T. Johnson. “We think their products, services and price points will be a great fit for our community.”

Tractor Supply Company was founded in 1938 and is the largest retail farm and ranch store chain in the United States. The company operates over 1,197 retail stores in 45 states, employs more than 17,000 team members and is headquartered in Brentwood, Tenn.

Store hours are Monday through Saturday, from 8 a.m. to 8 p.m., and Sunday from 8 a.m. to 7 p.m. For more information, go to their website at www.Tractorsupply.com or call 757.539.5192.
