TRUCK STRIKES TRAIN TRESTLE AT HOLLAND ROAD

SUFFOLK, VA (January 30, 2018) – The Suffolk Police Department is currently on scene in the 1300 block of Holland Road following a truck striking the Norfolk Southern Railway train trestle at that location.

Emergency Communications was made aware of the incident at 12:14 p.m. The car carrier truck had two vehicles on board at the time of the accident and is still wedged under the trestle. There are no injuries as a result of the accident.

The roadway is currently completely closed at that location with Public Works preparing detours in the area. Norfolk Southern Railway staff have been contacted to respond related to the safety of the trestle.

The incident remains under investigation.
