UNIQUE EVENT VENUE OPENS IN HARBOUR VIEW

SUFFOLK, Virginia (February 19, 2018) – Hub 757, Suffolk’s newest event center, has opened at 6801 Bridgeway Drive in the Harbour View area of Suffolk. To celebrate, they are hosting a Grand Opening – Ribbon Cutting ceremony on Tuesday, February 20th at 5:30 p.m. Mayor Linda T. Johnson will be on hand for the event. A Hampton Roads Chamber networking member event will directly follow the ceremony and go until 7:30 p.m. Chamber members and their invited guests are welcome to attend.

Newly constructed last year, Hub 757 was designed to be an event center, day school and church. The 60,000 SF building features a modern design with vaulted ceilings, exposed steel beams, reclaimed wood accents, polished concrete floors and contemporary lighting and décor. Believers Church constructed the event space so that the community could utilize the auditorium and meeting spaces for special events such as weddings, banquets, corporate events, family reunions and product launches. Venue rental options range from as small as a 1,000 SF room on up to 28,000 SF of flexible space with seating for as many as 500 guests. Rentals include tables, chairs and ample audio/visual amenities as well as some outdoor options. Additionally on site, Oak & Lily

Academy provides part and full - time child care and pre-K through Kindergarten day school with ministry provided through Believers Church.

Harbour View's centric location in Hampton Roads was an important factor in choosing where to build the new facility. "Hub 757 is more than just a new building," stated Suffolk Mayor Linda T. Johnson. "This will be a wonderful gathering space for our entire community. It is an exceptional facility and I am proud to have it in our City."

"The public response to this venue has been amazing!" said Jamie Mitchell, Hub 757 Director of Events. "It is clear that an event center is something this area has longed for. We are excited to be part of Harbour View in Suffolk."
