It is understood that if accepted by The City of Suffolk Department of Parks and Recreation, as a volunteer coach, I will support and enforce the following guidelines:

- To be certified through the National Youth Sports Coaches Association (NYSCA) and/or keep my certification current.
- To attend all meetings and rules clinics set up by the Department prior to the beginning of the season.
- I will promote team play that is safe, fun and enjoyable for all players.
- I will remember to encourage cooperation, self-discipline and motivation while enhancing the development of life lasting traits.
- I will promote the respect in oneself and others through good sportsmanship by emphasizing the development of cooperation and respectful behavior toward teammates, opponents, referees and coaches. I will help each child feel good about himself/herself.
- I will promote sports fundamentals, which are essential to enjoy the game. I will strive to develop each child's skills and abilities to the fullest potential and emphasize one's effort is more important than the outcome of the game.
- I will complete and submit the background check application to the Department.
- I will notify parents and players of practice times, games times, picture day, and uniform distribution day.
