DISCIPLINE

Our use of discipline is established to provide a safe environment and enjoyable atmosphere for your child(ren). At Suffolk Parks and Recreation, we utilize a conscious discipline approach that consist of three (3) components:

1. Safety through self-regulation
2. Connection through a compassionate culture
3. Problem-solving through a change in perception and response to conflict

This approach begins with the children working with staff to create program expectations for behavior. We encourage parents/guardians to discuss the program expectations with their child.

Additionally, four (4) basic policies exist concerning discipline.

1. No staff member ever touches, shakes, pokes, slaps or hits a child. Verbal discipline is the only form allowed. This does not mean screaming at children.
2. When discipline of a group or an individual is necessary, the disciplinarian is the staff person who was supervising at the time.
3. Parent/Guardian will be informed about the child's behavior both positive and negative.
4. Parents/Guardians may not touch, discipline, or question children, other than their own for any reason. If parents have questions about the way an incident was handled, they should direct them toward the Parks and Recreation staff. Violating this policy can be grounds for removal from the program.

We do not allow corporal punishment under any circumstances.

Using the measures of discipline described above, the program staff will handle minor unacceptable behavior as it occurs on site. The staff will notify the parent/guardian describing the incident and/or discuss the situation when the child is picked up. A parent conference may be scheduled if behavior continues.

Serious Discipline Problems:

- ⊗ Fighting and/or bodily harm to another participant or staff
- ⊗ Using foul or threatening language
- ⊗ Repeated and/or serious disrespectfulness towards staff
- ⊗ Uncontrollable behavior which disrupts the program
- ⊗ Intentional destruction of property
- ⊗ Spitting and horse-playing

If serious unacceptable or egregious behavior occurs; and/or the child requires attention beyond the capacity our staff can provide, parent/guardian will be required to pick up their child immediately. The child will be suspended for one or more days and/or face expulsion from the program for such behavior. In addition, a conference may be set up with the parent/guardian and Recreation Specialist prior to the child returning to the program. Repeated incidents of serious unacceptable behavior will result in the child being expelled from the program.

Some unacceptable behavior is considered serious enough that the child may be expelled from the program on the first offense. Examples include, but are not limited to the following:

- Ⓞ Physical assault on a child or staff
- Ⓞ Using, carrying, or distribution of drugs
- Ⓞ Possession and/or use of a weapon

For the safety and well being of all participants, we reserve the right to expel participants, without warning, for these types of offenses. Additionally, police will be contacted for offenses, which violate the law. Please note that programs are located on City of Suffolk Public School property and the school rules and policies apply.

Children with asthma, who use an inhaler, are permitted to carry it with them and use it when needed, with prior approval from the Recreation Specialist. Each of these will need to have the prescription accompanying it. These situations will be handled on a case-by-case basis. Requests should be submitted in writing to the Recreation Specialist prior to the start of the program.

Release of Children

We will only release the child (ren) to the responsible parent/guardian or persons listed on the registration form. **No exceptions.** We also require a picture ID for those people unfamiliar to the staff, including the parent/guardian. If you are unable to pick up your child (ren), please notify the center staff as to who will be picking up your child (ren). If someone arrives that is not listed on the child (ren)'s form(s), staff will notify you. Until you have been reached, the child (ren) will not be released. Legal documentation must be on file at the center if a parent/guardian is listed as unauthorized to pick up. *It is recommended that individuals signing participants in and/or out of the program must be at least 18 years old or over.*

The late fee must be paid by check or money order before your child can continue in the program. If the parent/guardian or emergency contact cannot be reached and the center has not been notified by 6:30 p.m., child protective services will be contacted to come pick up your child(ren). **Three late pickups will result in permanent expulsion from the program.**

Inclement Weather

Please listen to the local radio and television stations for school cancellations in the event of inclement weather. If school closes due to the weather, the after-school programs will not be held and you will need to pick your child(ren) up from the school. Children will not be able to wait for pick up at the Recreation Center. If inclement weather occurs during the after-school program, staff will contact you and you will need to make arrangements to have your child(ren) picked up immediately. If inclement weather occurs during before school program, the Parks and Recreation program will follow all Suffolk Public Schools delay and closing.

Field Trips

Program participants will have an opportunity to attend various educational and recreational field trips. The program will be closed on the days that trips are taken. If your child does not wish to attend you must then make other arrangements.
