Tyler Technologies, Inc. has been employed to produce a graphic representation of the Real Estate Property Tax Maps. The boundaries of any parcel may have been adjusted to provide a more visually pleasing depiction. User should refer to instrument of transfer (deed or plat) for legal boundary location and acreage or area measurements.

Aerial Photography captured March 2019. A limited area of the City was retaken in March of 2021. The most up-to-date photography available was used to capture all engineered information.

All Planimetric and Topographic information has been compiled in conformance with National Map Accuracy Standards for 1" = 100' scale mapping using orthophotography as a source.
