

Kid Zone Full Day Camp

Parent Handbook

2020

PROGRAM DESCRIPTION

The Kid Zone full day camp program (Pre-K4- 5th grade) is designed to meet the physical, creative, and social needs of the participants in a fun-filled, safe environment. A variety of activities are offered including homework time, games, and arts and crafts. Qualified Parks and Recreation staff will supervise all activities.

PROGRAM DATES/LOCATIONS/HOURS OF OPERATION

Program Dates:

Session 1 September 8 – September 18
Session 2 September 21 – October 2
Session 3 October 5 – October 16
Session 4 October 19 – November 2

Kings Fork Recreation Center – Kid Zone Full Day Camp

350 Kings Fork Rd, Suffolk, VA
7:00a.m- 6:00 p.m. / Monday – Friday
Recreation Specialist: Tabitha Franklin
(757) 514-7244

PROGRAMS & FEES *

**IMPORTANT – All fees associated with the program are non-refundable. Registration is on a first come, first serve basis. In order to reserve placement for your child(ren) payment must be made for each desired program session. You will not be refunded or credited for daily absences, suspensions, early pick-ups, unanticipated calendar changes, changes due to weather conditions or other emergency situations.*

One-time registration fee: \$35

PROGRAM TYPE	FEES:
Kid Zone Full Day Camp	\$85.00 a session (every two weeks)

Checks or money orders must be made payable to Ronald H. Williams, Treasurer. The City charges up to a \$50 fee on all returned checks. We reserve the right to refuse any future payments by check until the debt has been cleared. Your child(ren)'s name(s) should appear in the memo section of each payment.

Late pick-up fee: A late pick-up fee of \$1 per minute, after 6:00 p.m. will be charged. Fees will be charged based on the recreation center's clock. The late fee must be paid by check or money order before your child(ren) can continue in the program.

If the parent/guardian or emergency contact cannot be reached and the center has not been notified by 6:30 p.m., child protective services will be contacted to come pick up your child(ren). Three late pickups will result in permanent expulsion from the program.

REGISTRATION

For the safety of our participants, we have established a maximum number of registrants. Children must be Pre-K4 – 5th grade in order to be registered in the Kid Zone full day camp program.

* Pre-K4 participants must attend City of Suffolk Elementary School Pre-K program.

At the time of registration, the following are due:

- ✓ One-time registration fee (\$35.00) **and** session fee for specific service
- ✓ Proof of grade (Progress Report, Report Card or Letter from School)
- ✓ Completed program registration form and activity registration form
- ✓ Proof of residency*
- ✓ Two emergency contacts (other than parent/guardian)

*City employees who are non-residents may register their child(ren) for the program with proof of city employment status (city issued identification).

If a child has not been in attendance for five consecutive days they will be taken out of the program, unless the Recreation Specialist has received written notification in advance.

Covid-19 Guidelines

Procedures for participant drop-off:

Between 7:00 – 8:00 am, a staff will be available in the foyer/lobby area where they can monitor cars coming toward the building.

Staff will wear gloves and a mask while asking parents/guardians the following questions (ref: Virginia Child Care Phase II Reopening Guidelines, June 2, 2020).

1. Does your child now or have had within the past fourteen (14) days any of the following:
 - a. Fever of 100.4 or higher or a sense of having a fever
 - b. New cough that cannot be attributed to another health condition
 - c. New shortness of breath that cannot be attributed to another health condition
2. Are there any members of your household with confirmed COVID-19?
3. Have you given your child any medication to lower their temperature today?

If the answer is yes to any of these questions, the child will not be permitted access to the summer camp.

Staff will then ask the child to lean forward through the car window and check body temperature with a digital thermometer. If it is less than 100.4 the child will be escorted to the summer camp site. Staff will sign the child in on the daily attendance sheet.

A 14-day waiting period will be required for any child that exhibits symptoms, has been exposed to or has tested positive for the coronavirus before they are able to return, along with a physician's note clearing the child.

Procedures for participant pick-up:

The staff will greet parents at their vehicles in the designated pick-up area between 4:00 – 6:00 pm and complete the following:

- Radio program room staff for child to be brought to pick-up area
- Check parent ID while child is being escorted to vehicle
- Staff signs child out on the daily attendance sheet

Behavior Management

Our use of discipline is established to provide a safe environment and enjoyable atmosphere for your child(ren). At Suffolk Parks and Recreation, we utilize a conscious discipline approach that consist of three (3) components:

1. Safety through self-regulation
2. Connection through a compassionate culture
3. Problem-solving through a change in perception and response to conflict

This approach begins with the children working with staff to create program expectations for behavior. We encourage parents/guardians to discuss the program expectations with their child.

Additionally, four (4) basic policies exist concerning discipline.

1. No staff member ever touches, shakes, pokes, slaps or hits a child. Verbal discipline is the only form allowed. This does not mean screaming at children.
2. When discipline of a group or an individual is necessary, the disciplinarian is the staff person who was supervising at the time.
3. Parent/Guardian will be informed about the child's behavior both positive and negative.
4. Parents/Guardians may not touch, discipline, or question children, other than their own for any reason. If parents have questions about the way an incident was handled, they should direct them toward the Parks and Recreation staff. Violating this policy can be grounds for removal from the program.

We do not allow corporal punishment under any circumstances.

Using the measures of discipline described above, the program staff will handle minor unacceptable behavior as it occurs on site. The staff will notify the parent/guardian describing the incident and/or discuss the situation when the child is picked up. A parent conference may be scheduled if behavior continues.

Serious Discipline Problems:

- ⊗ Fighting and/or bodily harm to another participant or staff
- ⊗ Using foul or threatening language
- ⊗ Repeated and/or serious disrespectfulness towards staff
- ⊗ Uncontrollable behavior which disrupts the program
- ⊗ Intentional destruction of property
- ⊗ Spitting and horse-playing

If serious unacceptable or egregious behavior occurs; and/or the child requires attention beyond the capacity our staff can provide, parent/guardian will be required to pick up their child immediately. The child will be suspended for one or more days and/or face expulsion from the program for such behavior. In addition, a conference may be set up with the parent/guardian and Recreation Specialist prior to the child returning to the program. Repeated incidents of serious unacceptable behavior will result in the child being expelled from the program.

Some unacceptable behavior is considered serious enough that the child may be expelled from the program on the first offense. Examples include, but are not limited to the following:

- ⊗ Physical assault on a child or staff
- ⊗ Using, carrying, or distribution of drugs
- ⊗ Possession and/or use of a weapon

For the safety and well being of all participants, we reserve the right to expel participants, without warning, for these types of offenses. Additionally, police will be contacted for offenses, which violate the law. Please note that programs are located on City of Suffolk Public School property and the school rules and policies apply.

PROGRAM RULES AND REGULATIONS

Personal Belongings

Participants should leave personal belongings such as games, dolls, electronics, etc. at home. Children should not wear or bring expensive or breakable items to the program. Staff will not hold or safeguard such items and cannot be responsible for their safekeeping. Suffolk Parks and Recreation does not accept responsibility for lost, broken, stolen or misplaced items.

Chromebooks

Children are encouraged to bring their Chromebooks with headphones to the camp. The daily camp activity plan will center on the Suffolk Public School's Instructional Schedule. Children will be given the opportunity to log on and participate in their virtual instruction. Parents or guardians are responsible for ensuring their child has been trained on the Chromebook use and providing a safe method of transporting the device.

Clothing and Attire

Children should wear appropriate clothing. Gym shoes are required. No open-toed or black-soled shoes allowed. Clothing with obscene, profane, or vulgar words or graphics will not be permitted. If your child wears any clothing of this type, he/she will be asked to turn the shirt inside out. You will be notified if this occurs. Please keep in mind this is a recreation program and occasionally the children will get messy. If appropriate attire is not worn, participant will not be able to participate in physical activities.

Medication

We cannot store or administer medications. For the safety of all children at our program locations, we do not allow participants to carry or self-administer prescription drugs or over-the-counter drugs. Parents must make arrangements to visit the site to administer drugs, when required. If a child has medication with them, it will be confiscated and the parent will be called. Please indicate all medical information on registration form and keep current.

Exceptions may be considered for children who are able to self-administer medications for emergency/life threatening situations only. Diabetics may be permitted to carry extra insulin or glucose tablets. Children who are at risk of anaphylaxis as a result of allergies may be permitted to bring an epinephrine auto-injector. Children with asthma, who use an inhaler, are permitted to carry it with them and use it when needed, with prior approval from the Recreation Specialist. Each of these will need to have the prescription accompanying it. These situations will be handled on a case-by-case basis. Requests should be submitted in writing to the Recreation Specialist prior to the start of the program.

Illness or Injury

If a child becomes ill or injured during program hours, the staff will notify the parent/guardian immediately. In serious life threatening situations, the staff has been instructed to call 911 for emergency assistance. Children with medical conditions are required to wear a medic-alert bracelet or necklace at all times while in the after-school program. If your child becomes ill, he/she must be picked up within 45 minutes of you being notified.

Communicable Diseases

Children suffering with contagious or infectious diseases shall be excluded from the program; parents must notify the Parks and Recreation Department immediately. Children may not return to the program until all contagious or infectious conditions have cleared. In the event of head lice, the Parks and Recreation Department must be notified immediately and the child may not return to the program until all evidence of lice is gone. In the event of fever, the Parks and Recreation Department must be notified immediately and child may not return to the program until they are fever-free at least 24 hours without the use of fever-reducing medication.

SNACK & LUNCH

All participants will need to bring a snack and a lunch unless otherwise noted. Snack times will be in the morning and afternoon. *Food from restaurants such as Wendy's, McDonalds, Chick Fil A, Hardees, Burger King, etc. will not be allowed at any of the programs.*

Child Abuse/Neglect

In accordance with the Code of Virginia, Suffolk Parks and Recreation staff is responsible for reporting all suspected abuse or neglect to our local social services department. All suspected child abuse will be reported to the site supervisor immediately. On-site staff will contact their appropriate supervisor in the Parks and Recreation Department and department policy will be followed.

Release of Children

We will only release the child (ren) to the responsible parent/guardian or persons listed on the registration form. **No exceptions.** We also require a picture ID for those people unfamiliar to the staff, including the parent/guardian. If you are unable to pick up your child (ren), please notify the center staff as to who will be picking up your child (ren). If someone arrives that is not listed on the child (ren)'s form(s), staff will notify you. Until you have been reached, the child (ren) will not be released. Legal documentation must be on file at the center if a parent/guardian is listed as unauthorized to pick up. *It is recommended that individuals signing participants in and/or out of the program must be at least 18 years old or over.*

Suffolk Parks and Recreation Kid Zone program is operating exempt from licensure under State Code Section:63.2-1715 with basic health and safety requirements but has no direct oversight by the Virginia Department of Social Services.

Inclement Weather

Please listen to the local radio and television stations for school cancellations in the event of inclement weather. If school closes due to the weather, the after-school programs will not be held and you will need to pick your child(ren) up from the school. Children will not be able to wait for pick up at the Recreation Center. If inclement weather occurs during the after-school program, staff will contact you and you will need to make arrangements to have your child(ren) picked up immediately. If inclement weather occurs during before school program, the Parks and Recreation program will follow all Suffolk Public Schools delay and closing.

SUNSCREEN

It is our primary goal to provide your child with a safe and fun summer. However, outdoor plan can offer additional challenges. Participants may spend a great deal of time exposed to the sun's harmful rays. That's why we need your help to ensure your child's safety.

Parents or guardians must apply sunscreen before children come to our program in the morning. We recommend a sunscreen with an SPF of at least 30. Parents or guardians are required to provide their children with sunscreen for later applications. Staff will not apply sunscreen to children. Please instruct your children on how to properly apply sunscreen.
