

# Documentation of FHWA Review

Project Name: Route 337 Nansemond Parkway Intersection

State Project Number: U000-133-415

UPC: 110634

Based on the preliminary environmental impact information compiled by VDOT, FHWA approved this project as a Categorical Exclusion on 07/23/2018. Based on my review of the Categorical Exclusion documentation submitted by VDOT, I find this information acceptable and sufficient as supporting documentation to support the original Categorical Exclusion determination.
