Proposed Minor Service Change to Suffolk Transit – Effective September 1, 2023

Beginning Friday September 1, 2023, the following will occur:

An additional two (2) hours of evening service is to be added to the following routes Monday through Friday:

Green, Orange, Yellow, Pink and Purple

Service will end at 8:30 p.m. on the Green, Orange, Yellow, and Purple Routes. Service will end at 7:50 p.m. on the Pink Route.

In addition, The Red Route will provide service to Main St Walmart stop and the Main St Shoppes Inbound stop Monday-Friday until 6:30 p.m.

The Green will continue to provide service to the Main St Walmart stop and will provide the service to the Main St Shoppes Inbound stop once the Red Routes ends at 6:30 until the end of service.

The Green Route will continue to provide service to these stops on Saturdays.

This change will help the Green Route maintain its adherence to the schedule.

On the Yellow Route the California Cartage bus stop will become a Will Call stop only to help the schedule of the Yellow Route as it is greatly affected when there are trains stuck on the tracks on Kenyon Road. We will be adding a bus stop at the corner of Kenyon and Centerpoint.

Any questions regarding these changes should be directed to the City of Suffolk's Transit Manager, Maria Ptakowski at mptakowski@suffolkva.us or (757) 514-7641.
