### **CITY OPEN'S NEW PARK IN BOSTON NEIGHBORHOOD**

SUFFOLK, VA (November 23, 2016) The City of Suffolk's Department of Parks & Recreation is happy to announce the opening of Boston Park located at 825 Lincoln Avenue in the Boston neighborhood of Suffolk.

This new park has a variety of park amenities for the entire family, including a themed black bear playground for children ages 2 to 12 years old, a basketball court (half court), a picnic shelter and park benches. In the coming months, a swing set will be added to the park.

Lakita Watson, Director of Parks & Recreation stated, "This new park provides a wonderful and safe place for children and families to come out and play. We are excited to offer this recreational opportunity to the residents in the Boston community."

The park is open from sunrise to sunset. For more information regarding this park, contact 514-7250.
