Parcel and Zoning information has been developed to provide a graphic representation of the Real Estate Property Tax Maps. The boundaries of any parcel may have been adjusted to provide a more visually pleasing presentation. User should not rely on these maps to establish (deed or plat) for legal boundary location and perimeter or area measurement.

Aerial Photography Spring of 2013.The most up-to-date photography available was used to capture planimetric information.

All Planimetric and Topographic information has been compiled to conform with National Map Accuracy Standards for 1" = 100' scale mapping using orthophotographic and stereoscopic processes.
