SUFFOLK, VA (August 20, 2009) Approximately 175 homes in the Riverfront area will be temporarily without water for approximately four hours on Wednesday, August 26, 2009. The scheduled interruption will allow for the repair of a branch valve on a hydrant. Residences on the following streets are expected to be affected by the project: Bay Breeze Drive, Bay Shore Lane, Dock Landing Court, Crystal Bay Circle, Harbour Pointe Drive, Osprey Court, Watchharbour Court, Inlet Place, Cattail Cove and N James Drive.

The shut down will take place during the day beginning at 9 a.m., with water being turned back on by 1 p.m. that day. Should the project have to be rescheduled for an unforeseen reason, a secondary date of August 27, 2009, during the same hours has been planned.

If residents have any questions during this process, they are asked to contact Suffolk Department of Public Utilities at 757-514-7000.
