**Memorial Fund Established**

SUFFOLK, Va. (September 24, 2008) A memorial fund has been established for the family of Suffolk Police Officer Percy Jeffries. Officer Jeffries, a resident of Virginia Beach, died in his home Sunday morning. He left behind a wife and three children. Anyone wishing to make donations to the Jeffries family may do so to the Officer Percy Jeffries Fund at any Suffolk First Bank.

Please be aware that this is the only authorized fund raising effort. There have been reports of individuals collecting funds for the Jeffries Family in parking lots in the City. We believe these efforts to be fraudulent and encourage community members to only donate through reliable sources.

Any questions can be directed to Sgt. Tyrell Champagne at 923-2350.

The arrangements for Officer Jeffries funeral are as follows:
