TEMPORARY WATER SERVICE INTERRUPTION SCHEDULED

SUFFOLK, VA (October 13, 2009) Approximately 30 homes in the Belleharbour area will be temporarily without water for approximately five hours on Thursday, October 15. The scheduled interruption will allow for the repair of a water line valve in the 300 block of Canaan Circle.

The shut down will take place during the day beginning at 9 a.m., with water being turned back on by 2 p.m. that day. Should the project have to be rescheduled for an unforeseen reason, a secondary date of Thursday, October 22 during the same hours has been planned.

If residents have any questions during this process, they are asked to contact Suffolk Department of Public Utilities at 757-514-7000.
