TRAFFIC LIGHT IN FULL OPERATION

SUFFOLK, VA (October 20, 2009) The Department of Public Works – Traffic Engineering Division advises that a new traffic signal at South Quay Road and O’Kelly Drive will be placed into normal operation for the first time this morning at 10 am. The signal was requested by Suffolk Fire Department and will enable the Holland Fire Station’s emergency responders to more quickly and safely enter South Quay Road (Rte. 58). The signal will also assist normal traffic on O’Kelly Drive enter the higher speed highway in a safer manner.
