## **City to Host Visioning Sessions**

SUFFOLK, VA (November 6, 2008) – The City of Suffolk Department of Planning and Community Development, in conjunction with the Suffolk Planning Commission and its Committee on Ordinances, will host two visioning sessions to solicit input from the public regarding rural subdivision development in the City's agricultural and rural areas, including minor subdivisions and family transfer subdivisions.

The first session is scheduled for Wednesday, November 12, 2008, in the Robertson Elementary School Auditorium, 132 Robertson Street, at 6:30 p.m.

The second session will be held on Thursday, November 13, 2008, at the Holland Community House, 6837 Netherland Drive, at 6:30 p.m.

The public is invited to attend and participate in these visioning sessions. For more information, please contact the Department of Planning at 757-514-4060.
