TEMPORARY WATER SERVICE OUTAGE FOR REPAIRS

SUFFOLK, VA (December 22, 2008) Officials estimate several thousand Suffolk homes are without water this evening after a contractor damaged a water main near the North Suffolk Water Tank. The areas impacted are east of 664 and north of 164 including the neighborhoods of Burbage Grant, Wynnewood and Huntersville.

Water service has been shut down to make necessary repairs. Repairs are estimated to take approximately six hours.
