Kerma Medical Products Opens New Suffolk Site

Kerma Medical Products, Inc. will officially open their new 100,000 sq. ft. manufacturing and distribution operations headquarters in Suffolk at 215 Suburban Drive (23434). Suffolk Mayor Linda T. Johnson will officially open the facility with a ribbon-cutting ceremony on Thursday, June 23, at 9 a.m.

Kerma Medical Products, a manufacturer of medical goods distributed worldwide, was established in 1991. In early 2011, the company announced their plans to relocate into Suffolk, VA after being based in Portsmouth, VA since 1998. There was a need of a new strategic location to satisfy their growing business and to prepare for future expansions.

Kerma is a Veteran Minority Owned Small Business that provides medical products to the health care industry and federal government agencies. The company manufactures, assembles and packages a number of soft good products that include diagnostic equipment, labor and delivery products, and wound care. Kerma also has a division in Miramar, FL that manages the delivery of Small Cap Equipment and Medical Supplies
