Public Meeting Scheduled to Discuss Truck Traffic between Routes 460 and 58

SUFFOLK, VA (August 30, 2011) – The recent opening of a major distribution center on Kenyon Road has caused concerns regarding commercial trucks traveling secondary roadway systems, particularly in the area between Route 460 and Route 58. In an effort to gain additional information, and to alert the public of actions taken to date, a public information meeting has been scheduled for Wednesday, August 31, 2011, at 7 p.m., in the Lakeland High School Auditorium, 214 Kenyon Road.
