WATER SERVICE SHUTDOWN

SUFFOLK, VA (January 4, 2012) The City of Suffolk Department of Public Utilities Line Maintenance Division will temporarily shutdown water service at the 4200 block of Coltrane Avenue today, Thursday, January 12, 2012, to repair a water main leak.

Service will be turned off from 11:30 a.m. until 2:30 p.m. and will affect approximately 15 residences. Customers have been notified of the shutdown.

If there are any questions, contact the City of Suffolk Department of Public Utilities at (757) 514-7000.
