## Amicis Pizza Café Opens in Downtown Suffolk

The long anticipated Amicis Pizza Café has officially opened at 157 East Washington Street in Downtown Suffolk. This new dining establishment is the second endeavor in Downtown Suffolk for restaurateur Mike Williams, who opened Barons Pub in 2004. Amicis menu offers a wide variety of Italian dishes including lasagna, baked ziti, linguini, chicken cacciatore, veal and over 13 types of customized pizzas. This new restaurant also offers a wide variety of wines and beers.

Mike Williams, owner of Amicis says, "We are excited to offer this new specialized cuisine to the patrons of Suffolk and are very happy to continue to be a major player in the revitalization of Downtown Suffolk."

"The greatest sign of business success is expansion. Mike Williams has experienced the Downtown Suffolk market for over four years with Barons Pub and knows the vitality of this corridor" says Mayor Linda Johnson. "I am looking forward to seeing Amicis succeed, thrive and grow in Downtown Suffolk."
