**UPDATE**

SUFFOLK, Va. (September 17, 2008) – The road closure of Hall Avenue for the construction portion of the Health and Human Services Building is complete. Therefore, effective today, Hall Avenue will be re-opened to traffic until mid-November. In mid-November, Hall Avenue will again close for water and sewer improvements. Once re-closed, Hall Avenue is expected to remain closed until April 30, 2009.

**MEDIA RELEASE**

**Notice of Informational Meeting on Temporary Hall Avenue Closure**

SUFFOLK, Va. (June 27, 2008) –The Department of Public Utilities will host an informational meeting for Suffolk residents and business owners on Tuesday, July 8, from 7 p.m. – 8 p.m. in the Suffolk Council Chambers to discuss the closure of a portion of Hall Ave. between Culloden Street and South Main Street for the installation of water and sewer improvements. These improvements replace aging infrastructure and will support the proposed Fairgrounds project and the new Health and Human Services Building. The closure of Hall Ave. is anticipated to occur between August 1, 2008 and April 30, 2009.

Representatives from Public Utilities, Traffic Engineering, the Police and Fire Departments and Economic Development will be present to provide information and answer any questions.
