Do you know the legends of Sleepy Hole?

Join us from 6-10 p.m. for a night of fright at Sleepy Hole Park. When the sun sinks low on Friday, October 29, 2010, Sleepy Hole Park will transform from a lush, serene location into a forest full of surprises and scares!

This event is for ages 10 and up, but there will be a lighter area for children to enjoy. \$5 fee per person, with a portion of the proceeds benefitting the City of Suffolk's United Way Campaign.
