NIGHT PAVING OPERATION PLANNED

SUFFOLK, VA (September 10, 2010) The Suffolk Department of Public Works Roadway Operations announces an upcoming nightly milling, paving, and paint eradication operation beginning Sunday, September 12th through Thursday, September 16th between the hours of **7:00 PM to 5:00 AM** each night, weather permitting. This will be for the paving and resurfacing of Bridge Road (Rte.17) between Breezport Way and Harbour View Blvd.

Appropriate VDOT approved traffic control methods including placed verbal message boards will be on-site. Minor traffic delays are possible during these times.

If anyone has questions concerning this work, they are asked to contact the Department of Public Works Operations at 514-7600 or 514-7624.
