SUFFOLK, Va. (March 30, 2010) Effective immediately, sealed containerized freight that is being transported to and from the Port of Virginia will not be required to have a City of Suffolk Special permit. The City of Suffolk will now recognize the Virginia State Permit for overweight sealed containerized cargo that has been issued by the Virginia Department of Motor Vehicles.

Anyone with questions may contact (757) 514-7607.
