Suffolk Street Closed for Utility Work

Suffolk, Va. (October 25, 2010) The Department of Public Utilities announces that East Washington Street, from Liberty Street to Pinner Street, will be closed to through traffic from October 26 - November 17. During the closure, traffic will be detoured by utilizing Liberty Street, Bank Street, and Pinner Street. This closure is necessary for the completion of utility work. Thank you for your patience during the completion of this project.
